

**ANTI- COVID RULES FOR THE FAMILIES AND THE STUDENTS  
OF COMPREHENSIVE SECONDARY SCHOOL**

- 1) Parents must provide their children with a face mask(spare or washable).
- 2 It is necessary to get an appointment to go to the school-office, by calling the number 0187/711258 from 8.00a.m. to 1.00 a.m.
- 3) Parents are not allowed to enter the school building.
- 4) Books,toys and school materials present in a class cannot be shared with other students.
- 5) Students are not allowed to share their belongings and school items with other classmates.
- 6) In each lesson hour there is a 5-minutes “ relaxing break” during which students are allowed to go to the bathroom.
- 7) During the break the windows will be opened to change the air in the classroom.
- 8) Teachers can carry out the lesson, outdoors.
- 9) Pupils are allowed to go to the bathroom during lessons.
- 10)Pupils who go to the toilet must remember to wash their hands with soap properly.

A dispenser with sanitizer gel is available .

- 11) Face masks are required when pupils go into toilets or in common areas.
- 12 )During the morning the pupils take two breaks of 10 minutes each. The air in the classroom is necessarily changed .

Students are reminded:

- to stay inside the classroom.
- not to change each other's snack
- they can go to the toilets

13) students are asked to write their names on water bottles brought to school

14)It is forbidden to move the desks. On the floor there are signs indicating where the desks must be placed

15)Parents and teachers must remind their children the rules to prevent the spread of Covid-19

- do not create gatherings
- be mindful of social distancing

- wash hands frequently and use sanitizer gel
- use a tissue when you cough or sneeze .
- do not touch the mouth, nose and eyes with hands, use eventually the inner elbow.

**16)** Pupils must enter and leave the school in ordered lines wearing face masks.

**17)** parents must be punctual when children enter and leave the school.

**18)** Parents are requested to keep their children at home and call the doctor whenever:

- temperature is above 37.5
- there is cough and cold
- For the previous 14 days they have been close to covid patients or to people in isolation

**19)** It may happen that fever is measured at school

**20)** If a student feels ill at school, he/she is immediately isolated and the family is asked to pick him/her up as soon as possible. For this reason, it is necessary that parents or authorized people make themselves available every time teachers call them during school hours.

**21)** it is recommended to use only disposable paper in the bathroom.

**22)** Parents can talk to teachers in videoconference and can make appointments by email or written request on the diary.

**23)** it is recommended to wear a face mask in the changing rooms during physical education classes and special care must be taken not to mix clothes with classmates.

**24)** It is recommended to install the app “IMMUNI” on the mobile phone of all family members (children under 14 can install this app with parental consent)
